Respected Sir,

I, the undersigned beg most humbly and respectfully to bring the following few facts for your kind consideration and favourable order.

I am a Taxidermist and running this business for the past eight years in Vontikoppal. There is no proper accommodation in the above locality for running the above business. I am also undertaking the works connected with the Palace, Chamarajendra Zoological Gardens, Mysore, besides the Mysore Government Museum at Bangalore and as such my work has been much appreciated by all.

To add to this I will also undertake to train Mysoreans young adults about a dozen to start with in this line and thus provide such intending students interest in this line to earn their livelihood as this industry of late has come into prominence on a large scale. Viewing my philanthropic action, I most respectfully beg if a site at the Gokulam Road, of the following dimensions is kindly sanctioned to me for running this institution either free of cost or at a normal concession rate for which act of kindness I shall ever remain grateful to you

Schedule

- a) East:- Gokulam Road
- b) West:- Revenue Lands
- c) South:- Municipal Site
- d) North:- Municipal Drain (canal)
